## Table Tips: Setting up a Donate Life table

### Materials Available from NEDS:

Table banner  
Table signage (small posters in frames)  
Pamphlets

### Storyboards:

Add a photograph or create your storyboard (tri-fold board) to display on your tables. Photographs are a good way to start conversations and share your story.

### Add an activity:

Add signs to your table, "Show Us Your Heart", "Tell Us Your Story" can also help start conversations.  
Or set up an activity: table top Plinko game or Question Wheel

### Add Blue & Green:

Use blue and green containers to hold materials, dress in blue and green or NEDS/DL apparel.

### Tell us about your table!

**And Share photos** - share on your social media and share with us by email or in our Volunteer FB group: <https://www.facebook.com/groups/DLNEvolunteers/>
